call of all other uncalled persons on the list. For this reason every registered person and to some extent every person in the community is more or less directly interested in seeing that the true facts are brought to the attenion of the government. For every local board a person has been designated who will receive information of such cases and take appeals to the distrite board or inform the local board. For this reason the public is entitled to know the groungs upon which claims for exemption or discharge are being asked by registered men.
You are therefore instructed to

immediately make available to the press fro mday to day the names of persons claiming exemption or discharges, the ground in which such claims are based and in general the number of cases that are being disposed of by the boards from day to day. This instruction does not apply of course to discharges on the ground of physical disqualification by direction of General Crowder.

Big Shot to be Fired at Bell's Curve On Mannington Line.

If tomorrow morning at 7:30 o'clock you feel the earth rock under your feet and hear a muffled report in the West Virginia University.

County Agent Smith this morning a mine disaster has occurred. There said: "Some of the farmers think that it is too early to hold the institutes but

> At that hour engineers of the Mon ongahela Valldy Traction Company who have been straightening out the curves on the Mannington line will touch off a blast that has been placed in the hill at Bell's Curve near the home of Ex-Sheriff Conoway just outside the city. One hundred kegs of powder and sixty boxes of dynamite have been carefully planted in the hill and when this goes off it is ex-pected that it will tear out the whole front which a big steam shovel will

scoop up and cars will haul away.

The engineers do not know just how the big shot will perform. They expect it will tear down the trolley wire so they will have workmen on

Were Caught With Too Examinations at Mannington Will Come to An End This Evening.

Today is the last day for the men will be put through the tests this afcaught with two quarts of whiskey and termoon and this evening after which was brought before the squire. He those who have not appeared will be army.

Eighty three men were examined yesterday and thirteen failed to ap and he was given two months and \$100 pear. These men will be given another chance to be looked over by the board today. Of the 286 men who were issued notices on the first call, 150 have stready filed claim for exemp tion because of dependents. Nothing will be done in regard to these peti tions until all the men have been examined today. Then the individual cases will be given consideration and then men will be passed upon.

Chairman George W. Bowers of the board states that the work will be fin ished as soon as possible so that the men will know on what basis they stand at the earliest possible date. Two men were examined yesterday for other boards. One was from Craw ford county. Pennsylvania, and the other was from New York City.

FIRST REGT. CAMP

Morgantown Companies to be Home From Hike CANADIAN ARMY HEADQUAR-TERS, France, Aug. 7.—The Canadian Today.

Things are pretty slow these days men are awaiting final orders to break camp and only the usual drills are being held. The heat is rather hard on the men and when retreat is sounded they welcome it as though it were a gift from above. Neverthe-less inspite of Old Sol the troops are being put through the rigid drills and exercises and are being put into shape for the hard tasks that will be put before them after they go to Hat-tiesburg, Miss.

The supply company and company L left the camp yesterday for a hike to Morgantown. They left the camp early in the morning and arcompany and comrived in Morgantown in the afternoon A big parade welcomed the men, who are almost all natives of that city. They were given a great inovation and the boys expressed their appreciation for the thoughtfulnes of the citizens of their home town.

It was planned to have a banquet
